

Project Information

The screenshot shows the Scratch Jr interface in the 'Project Information' stage. At the top, there are icons for home, a gallery, a landscape background, a text box, a cat, a flag, and a trash can. Below these are asset cards for 'Cat', 'Butterfly', 'Sun', and 'Barn', each with a plus sign to add more. The central stage displays a red barn, a green field, a sun, and a cat. To the right, there is a thumbnail of the current project and a plus sign to add more stages. Below the stage is a toolbar with icons for chat, navigation, character, sound, camera, video, and various block types (motion, control, loops, loops with count, loops with count and repeat, loops with count and repeat, loops with count and repeat, loops with count and repeat, loops with count and repeat). At the bottom, the 'Programming Area' is shown with a cat icon and a 'Blocks Palette' containing a yellow flag block, a blue left arrow block, and a red block with the number 5.
